

WHO DOES YA, BABY?

Whether it's a quick lip-plump or a serious head-to-toe renovation, Hollywood's glossiest don't take chances with their cosmetic procedures. If there were an Oscar for subtlest surgery, these masters at work would be hot contenders, says Newby Hands

COSMETIC DENTISTRY Eric Labeye-Fugier (+1 310 859 1575; www.estheticdentistry-drericfugier.com).

Combining the best of Euro flair with American know-how and a touch of holistic therapy, Labeye-Fugier was trained in Paris and Monte Carlo. His clients include a roster of top stars and models - Hollywood agents have his private mobile-phone number. He also treats high-profile clients in Europe, and counts heads of state and royalty among his loyal following. Price: from £25,000.

Price: chemical peel, from around £500.

COSMETIC SURGERY Eric Labeye-Fugier (+1 310 859 1575; www.estheticdentistry-drericfugier.com). Combining the best of

was responsible for developing the technique of injecting collagen. If it's not safe or it doesn't work, Klein won't use it. Price: from about £500.
