Dentists Marc Lowenberg and Gregg Lituchy

Cosmetic Dentists

Larry Rosenthal DDS, 30 East 76th Street, New York 212.794.9600

Marc Lowenberg and Gregg Lituchy DDS, 230 Central Park South, New York 212.586.2890

Don't hold it against Rosenthal that he keeps a poem in his scrapbook penned for him by a grateful Kathie Lee Gifford. An archival of the celebrity-smile tag team of Lowenberg and Lituchy, Rosenthal counts both mannequins—Bridget Hall, Angie Everhardt and Yasmeen Ghauri—and moguls—Sumner Redstone and Donald Trump—among his clients. But if Cindy Crawford, Julianna Margulies and Christy Turlington are more up your dental-icon alley, head to Lowenberg and Lituchy.

Eric L. Fugler DDS, 9201 Sunset Boulevard, Los Angeles 310.859.1575

Fugler has perfected the smiles of Ralph Fiennes, Lew Wasserman, Jodie Foster and Faye Dunaway. The office is well acquainted with the ways of celebrities: His assistant will arrange transportation and reservations for out-of-town patients. At the same address, but not affiliated with Fugler, is **Joel Reims DDS, 310.859.8731**, who keeps his A-list strictly confidential.

Bruno Condi, via San Paolo, 13, Milan 392.861.323

When Naomi Campbell chipped her tooth in Milan between runway shows a few years ago, she ended up in Bruno Condi's expert hands. Perhaps it was Giorgio Armani who referred her. His mom's a patient.

**CHIROPRACTOR TOM MARINARO AT THE PAIN RELIEF CENTER,
8300 WEST THIRD STREET, LOS ANGELES 213.653.3344.

Hair-Replacement Doctors

Peter Goldman MD, 8631 West Third Street, Los Angeles 310.855.1160; B.L. Limmer MD, 14615 San Pedro Avenue, San Antonio, Texas 210.496.9929

Goldman, a dermatologist, is a whiz at doing the new one- and two-follicle micro and minigrfts that look so much better than the old flap technique. Those who balk at Goldman's fees fly to San Antonio to see Limmer at the International Hair Institute.

Emilio Lavezzari MD, via Montenapoleone 16, Milan 392.796.936

One of the first doctors in Italy to transplant a patient's own hair, Lavezzari takes hair from the back of the head—which, even in the worst cases, doesn't all fall out—and reattaches it to other parts of the scalp.

Skin care products from D. Esse

Facials

D. Esse, 56 University Place, New York 212.420.1576

A Lilliputian oasis offering some of the best facials in town. At least that's the consensus of the growing horde of beauty editors who've been tugging off for appointments.

Ole Henriksen Face and Body, 8622A West Sunset Boulevard, Los Angeles 310.854.7700

In the 25 years he has been in business, Henriksen has cleaned the pores and smoothed the lines of Lauren Hutton, Minnie Driver, Billy Zane, Linda Evangelista, Maris-Morissette, and Ellen DeGeneres.

Eve Lom, 2 Spanish Place, London W1 44171.935.9988

Anne Semonin, 2 rue de Petit Champs, Paris 331.4260.9466

Yoga

Both Madonna and Courteney Cox have turned to yoga of late, and when these two pop-singers-actresses can agree on something, it's worth taking note.

Carol Carlson at Kundalini Yoga East, 873 Broadway, New York 212.982.5959

Good enough to calm Cox's jittery nerves during the shooting of *200 Cigarettes*, Carlson also answers to the moniker Sat Nam Kar.

Power Yoga Center, 522 Santa Monica Boulevard, Santa Monica, California 310.281.1170

On any given night, classes can swell to 135, despite the unlisted phone number and lack of advertising—in part because of its non-glamorous (read: spiritual) approach that draws Courteney Cox, Elisabeth Shue, Mariel Hemingway, David Duchovny, Meg Ryan and Dennis Quaid.

Maxine Tobias at Chelsea Yoga Studio, 3 Stanley Studios, Park Walk, London SW10 44171.351.7690

Yoga emergency: Tobias makes house calls.

John Berlinsky at Yoga Studio, 650 East Blithedale, Mill Valley, California 415.380.8800

John Schumacher, at Unity Woods, 4853 Cordell Avenue, Bethesda, Maryland 301.656.8992
