The Smile Club Terms of Agreement

Dentistry Today is proud to present The Smile Club. Anyone who does not have insurance is eligible for membership. The Smile Club membership fee is \$299. The member benefits include:

- 2 Cleanings per 12 month period
- 2 Examinations by the Doctor per 12 month period
- 2 Fluoride treatments per 12 month period
- 1 Set of annual radiographs per 12 month period
- 15% Off all treatment performed at Dentistry Today

The Smile Club is renewable on a yearly basis. Membership is non-refundable and all benefits are only usable during the 12 month period after the membership is paid in full. There are no exceptions to this policy. Since The Smile Club entitles our members to an extremely generous discount of 15%, we also require that all treatment be paid in full when the appointment is scheduled.

We look forward to providing our Smile Club members the highest level of dental care while simultaneously keeping your treatment costs to a minimum.
