Creating Beautiful, Healthy Smiles!

Dentistry is part of Total Body Health!

Did You Know???

- ✓ The first sign of some health risks can be spotted by your dentist!
- ✓ Not all x-rays are created equal. Digital x-rays have 70-80% less radiation!
- ✓ Expectant mothers can take measures now to minimize their child's risk of tooth decay! (Hint: It has nothing to do with fluoride)
- ✓ Children who drink bottled water have a higher risk of tooth decay!

- * Family Dentistry (we see patients of ALL ages)
- * Teeth Whitening for Life (restrictions apply)
- * Mercury Free Practice (no silver fillings)
- * Cosmetic and Restorative Dentistry
- * In-House Dental Insurance
- * Convenient Location/Free Parking
- * Paperless Charts for All New Patients for a Greener Environment

Monthly Specials Offered for New Patients ~ Call for details!
