AND ORIGIN OF
THE WORLD FEDERATION OF ORTHODONTISTS (WFO)

The 1st International Orthodontic Congress (IOC) was held in New York in August 1926. This was the first world-wide congress held by a dental specialty. The 2nd IOC was held in London in July 1931. The 3rd IOC was also held in London in August 1973 under the joint sponsorship of the European Orthodontic Society (EOS) and the American Association of Orthodontists (AAO). The 4th IOC was held in San Francisco in May 1995 under the sponsorship of the AAO.

The Bylaws of the WORLD FEDERATION OF ORTHODONTISTS were confirmed in San Francisco during the 4th IOC. The first official meeting of the Council of the WORLD FEDERATION OF ORTHODONTISTS took place April 29-May 3, 2000 in Chicago, Illinois, USA during the 5th IOC in conjunction with the 100th anniversary celebration of the AAO. The 6th IOC was held September 10-14, 2005, in Paris, France, under the sponsorship of Societe Francaise d'Orthopedie Dento-Facial (SFODF) and Syndicat des Specialistes Francais en Orthopedie Dento-Facial (SSFODF) and the WFO. The 7th IOC convened in Sydney, Australia, February 6-9, 2010, under the sponsorship of the Australian Society of Orthodontists (ASO) and the WFO. The 8th IOC was held in London, England, United Kingdom, September 27-30, 2015, under the sponsorship of the British Orthodontic Society (BOS) and the WFO. The 9th IOC is scheduled to be held in Yokohama, Japan under the sponsorship of the Japanese Orthodontic Society.

ARTICLE 1: NAME
The name of the Federation shall be the "WORLD FEDERATION OF ORTHODONTISTS", hereinafter referred to as the "WFO" or the "Federation."

ARTICLE 2: PURPOSE
The purpose of the Federation shall be to advance the art and science of orthodontics throughout the world.

ARTICLE 3: OBJECTIVES
Consistent with its purpose, the chief objectives of the Federation shall be to:

3.1 encourage high standards in orthodontics throughout the world;

3.2 encourage and assist in the formation of national associations and societies of orthodontists when requested;

3.3 encourage and assist in the formation of national and regional certifying boards in the field of orthodontics when requested;

3.4 promote orthodontic research;

3.5 disseminate scientific information;

3.6 promote desirable standards of training and certification for orthodontists; and

3.7 organize the International Orthodontic Congress (IOC) to be held at least once every five years.

ARTICLE 4: MEMBERSHIP
The members of this Federation shall be classified as fellows, honorary fellows, patrons, academic, student, or retired.

4.1 Fellows

4.1.1 To be a "fellow", an orthodontist shall be either (a) a full member of a national or regional association of orthodontists affiliated with the WFO and reside within the jurisdiction of such association; or (b) subject to Article 4.1.3, below, if an orthodontist, by virtue of his or her residence, is
not eligible to belong to a national or regional association or society affiliated with the WFO, he or she may apply in writing to the Executive Committee requesting membership in the WFO as a fellow in accordance with Article 4.1.2.

4.1.2 Any orthodontist applying per Article 4.1.1(b), above, must have educational credentials equivalent to other fellows of the WFO in order to receive favorable consideration by the Executive Committee, as determined by the Executive Committee in its sole and absolute discretion. Namely, the applicant should have completed appropriate orthodontic training in accordance with requirements recognized by the Executive Committee (i.e., in accordance with the requirements of governing law), and be authorized by such or other relevant law to hold himself/herself out to the public as an orthodontist, and limit his/her practice exclusively to orthodontics. In all cases the decision of the Executive Committee shall be final.

4.1.3 If, subsequent to acceptance as a fellow, a national association or society from the same country in which the fellow practices becomes an affiliate of the WFO, such fellow must join such national association or society within three (3) years of the date of the affiliation of the national association or society with the WFO, or the date of renewal of the fellow’s membership following affiliation by the organization, whichever is earlier. If any fellow fails to comply with this requirement, the fellow shall be ineligible to be a member of the WFO.

4.1.4 In the event that a dues paying fellow belongs to more than one organization affiliated with the WFO, membership representation of said fellow will be determined as follows: The fellow may designate which organization shall be counted for purposes of his/her membership. If the fellow makes no designation following request by the Executive Committee, the representation will be split (1/2–1/12, etc.) between or among the organizations, and if one organization is a regional organization and the other is a national organization (as determined by the Executive Committee in its sole discretion), the representation shall belong to the national organization.

4.2 Honorary Fellows

4.2.1 The Executive Committee, upon receipt of nomination(s) from Council members for honorary fellowship may by two-thirds affirmative vote elect any one or all nominees provided that there shall not be more than twenty (20) living honorary fellows at any one time.

4.2.2 Individuals recommended for election to honorary fellowship in the Federation shall be orthodontists or others who, in the discretion of the
Executive Committee, have rendered outstanding service to orthodontics.

4.2.3 The salutation for an honorary fellow of the Federation shall be "Hon. WFO."

4.3 Patrons

4.3.1 Individuals other than fellows of the WFO, organizations other than national associations or societies of orthodontists affiliated with the WFO, and commercial companies and other entities who promote the purposes and objectives of the WFO may be elected patrons of the WFO.

4.3.2 The Executive Committee of the WFO may by unanimous ballot elect patrons of the WFO.

4.3.3 Patrons of the WFO shall be elected for a period of five years and shall be eligible for re-election if they satisfy the provisions of Article 4.3.1 at the time of re-election.

4.4 Academic

4.4.1 To be an academic member, applicant must meet the following requirements:

4.4.1.1 Be a non-orthodontist engaged in full-time education or research relating to orthodontics at an accredited institution as defined by a regional or national affiliate organization

4.4.1.2 Be certified by the dean, program director, person of equivalent academic rank and by the president of the national or regional association of orthodontists affiliated with the WFO as fulfilling requirement 4.4.1.1 at the time of application and renewal.

4.5 Student

4.5.1 To be a student member, applicant must meet the following requirements:

4.5.1.1 Be enrolled as a full time student in an accredited orthodontic program as defined by a recognized national or regional affiliate organization.

4.5.1.2 Be certified by the dean, program director, person of equivalent academic rank and by the president of the national or regional association affiliated with the WFO as fulfilling requirement 4.5.1.1 at the time of application and upon renewal.

4.5.2. Student membership shall be limited to a total of five years. Student status shall be verified initially and at the time of renewal, if any.
4.6 Retired

4.6.1. To be a retired member, applicant must meet the following requirements:

4.6.1.1 Be retired from active practice of orthodontics and/or from full-time teaching or research.

4.6.1.2 Status must be certified by the president of the national or regional association affiliated with the WFO as fulfilling this requirement.

4.7 Application for all classes of membership shall be made on the form prescribed by the WFO and submitted to the Secretary-General. Where applicable, the president of the national or regional association of orthodontists affiliated with the WFO shall certify the applicant's qualifications for membership. Any applicant for membership whose application is denied may reapply not earlier than one year following the date of rejection. If the second application is denied, the applicant may file a final reapplication not earlier than two years after the date of rejection of the second application. If the third application is rejected, the applicant may not thereafter reapply for membership in the WFO.

ARTICLE 5: TERMS OF MEMBERSHIP

5.1 Except as otherwise set forth in these Bylaws and policy statements of the Federation, all members shall be entitled to all services and privileges applicable to their membership classification.

5.2 Dues

5.2.1 Annual dues, payable in United States for Fellows and Academic members shall be $40.00 payable for a period of three years ($120.00) at the inception of membership and on every third yearly anniversary thereafter. Fellows and Academic members may pay dues for five (5) years in advance. A discount of 8% will be applied [$200.00 x 0.92] = $184.00

5.2.2 Annual dues for Student members shall be 50% of Fellowship dues ($20.00) payable at inception for the length of time an individual is a student not to exceed five years. Student membership includes Gazette subscription.

5.2.3 Annual dues for retired members shall be 50% of Fellowship dues ($20.00) payable for three years ($60.00) at inception of membership and every third yearly anniversary thereafter without Gazette subscription; or by 75% of Fellowship dues ($30.00) payable for three years ($90.00) at inception and
every third yearly anniversary thereafter including Gazette subscription.

5.2.4 The dues may be changed periodically upon recommendation of a majority of the Executive Committee and approved by a majority of the Council. Changes in dues will take effect at a time designated by the Council.

5.3 Dues are delinquent six months past the due date. Membership in the Federation shall be terminated at that time.

5.4 The dues for patrons shall be as established from time to time by the Executive Committee and the Council in like manner.

ARTICLE 6: AFFILIATION OF NATIONAL OR REGIONAL ASSOCIATIONS AND SOCIETIES OF ORTHODONTISTS.

6.1 Any national or regional association or society of orthodontists may apply in writing to the Executive Committee for affiliation with the WFO, which shall be accepted upon receiving a two-thirds (2/3) vote of approval by the Executive Committee, and upon satisfaction of all of the following requirements:

6.1.1 The Bylaws of the national or regional association or society shall have a category of full membership that is only available for orthodontic specialists. Full members of the association or society shall be entitled to all the privileges of membership, in that organization, including the right to hold office and vote.

6.1.2 Membership in the national or regional association or society must be open to all qualified orthodontists within the geographical jurisdiction of the association or society, without regard to orthodontic technique used or philosophy of orthodontic practice.

6.1.3 National or regional organizations must not be recognized or perceived by the Executive Committee, in its sole and absolute discretion, as a study club or as an organization formed to promote or advance a particular modality of orthodontic treatment.

6.1.4 The Bylaws of the national or regional association or society should provide for sponsorship of or affiliation with a national or regional certifying board or agency in the field of orthodontics.

6.1.5 In those countries where an official accrediting agency or commission exists, only the national or regional association or society recognized by the official accrediting agency or commission as the representative organization of the specialty of orthodontics shall be eligible for
affiliation.

6.1.6 The national or regional association or society must, in the opinion of the Executive Committee, as determined in its sole and absolute discretion, promote and advance standards consistent with the purposes and objectives of the WFO and/or its affiliated organizations and societies.

6.1.7 National and regional associations are distinct and separate. Members of a WFO-affiliated national association must be educationally qualified and recognized to be orthodontic specialists by governing law, and/or national association bylaws compliant with WFO bylaws, within said country. WFO-affiliated regional associations are organizations composed of two or more WFO-affiliated national associations. WFO-affiliated regional association membership may not include national organizations that are not WFO-affiliated, and no derived group (society, chapter, local organization, etc.) of members of a WFO-affiliated regional association is eligible to become a WFO-affiliated national organization.

6.2 The WFO may immediately terminate the affiliation of any association or society of orthodontists previously accepted as an affiliated organization if the national or regional association or society no longer satisfies any of the requirements of Article 6.1. Any such action shall be taken in accordance with Article 12.

6.3 National or regional associations and societies of orthodontists affiliated with the WFO shall be required to pay an annual affiliation fee on a pro-rata basis in proportion to the number of members of their association or society that they represent (see Article 4.1.5) and who are dues paying fellows of the WFO. Initially, the affiliation fee will be $1.00 per dues-paying member who is a fellow of the WFO, with a minimum annual affiliation fee of $50.00 for any national or regional association or society. The amount of the annual affiliation fee may be changed periodically upon the unanimous recommendation of the Executive Committee and approval by a majority vote of the Council. Any national or regional association or society that fails to pay the affiliation fee within four years from the due date shall be ineligible to be a member of the WFO, and its affiliation with the WFO shall be terminated. Any association or society that has failed to pay its WFO affiliation fee by the
due date shall not be entitled to representation on the WFO Council unless and until payment of the past due affiliation fee is received by the WFO. If the membership of any national or regional society is terminated by virtue of this provision, its members shall be required to meet the eligibility requirements of Section 4.1.1.

6.4 Each regional association or society, and subject to Section 6.7, each national association or society, of orthodontists affiliated with the WFO shall have the right to nominate one representative, who must be a fellow of the WFO, to serve on the Council, which shall be sent to the Secretary-General, along with the term of service for such representative. Subject to the provisions of these Bylaws, any such representative may be changed only upon written notification to the Secretary-General by the association or society that appointed the representative.

6.5 In addition to the councilors provided for in Article 6.4., forty (40) additional councilors, who must be fellows of the WFO, will be elected every five years by affiliated national or regional associations or societies on a pro-rata basis in proportion to the number of their members who are dues-paying fellows of the Federation, provided no single organization be represented by more than seven (7) of these forty councilors. In the event multiple WFO-affiliated organizations exist within a single country, the total number of councilors for that country may not exceed seven (7). The affiliated organizations shall send the names of the representatives to the Secretary-General prior to the regular meeting of the Council. Such representatives' terms shall commence at the first regular Council Meeting occurring immediately after their election and shall end immediately prior to the next regular Council meeting. Subject to the provisions of these Bylaws any such representative may be changed only upon written notification to the Secretary-General by the organization that appointed the representative.

6.6 Notwithstanding the foregoing, any councilor may serve more than one, but not more than three, separate or consecutive terms.

6.7 In the event that more than one association or society representing the same country should be elected to affiliation by the Executive Committee, that country shall have only one representative on the Council as contemplated by Article 6.4. Said representative will be mutually determined by the national associations or societies concerned. If the organizations are unable to reach mutual agreement, the Executive Committee may, in its sole discretion, determine which organization
shall appoint a representative to the Council.

6.8 National and regional associations and societies of orthodontists affiliated with the WFO shall be seated according to alphabetical order at all meetings of the Council and General Assembly unless the President directs otherwise.

ARTICLE 7: FINANCES

7.1 The WFO shall be supported by dues from fellows, donations of patrons, affiliation fees, any profits from meetings of the IOC, grants, gifts and bequests.

7.2 The financing of the IOC shall be the responsibility of the host country. A loan from WFO funds may, in the sole discretion of the Executive Committee, be made to the host country to initiate the organization of the IOC. The loan shall be repaid in full when all accounts for the IOC have been settled.

7.3 In the event that income from an IOC exceeds expenditure, the surplus shall be remitted to the WFO. Properly audited accounts must be submitted by the host country to the Secretary-General as soon as practical. After approval of the accounts by the Executive Committee, 50 percent of the net profit shall be awarded to the national or regional association hosting the IOC with the balance going to the WFO.

7.4 The financial year of the WFO shall be from January 1 to December 31 inclusive. A statement of the accounts of the Federation and a budget for the forthcoming year shall be prepared by the Secretary-General at the end of each fiscal year, and shall be submitted for approval to the Executive Committee by April1 of the next fiscal year.

7.5 The budget shall be forwarded to all councilors for submission to their respective association or society of orthodontists for information.

7.6 The Executive Committee may appoint a qualified accountant in connection with the preparation of financial statements and budgets.

7.7 Subject to the provisions of Article 7.8, the Secretary-General, in consultation with the Executive Committee, shall be authorized to allocate funds at his discretion, but will be required to present to the Executive Committee a financial statement showing the allocation of such funds. Officers entitled to reasonable expenses under the provisions of Articles 8.3.4, 9.1.3, and 14.4 shall be encouraged to obtain funding from other sources whenever feasible.
7.8 Under no circumstances shall the funds of the WFO be used to finance the attendance of councilors or delegates at meetings of the Council or IOC, respectively.

ARTICLE 8: GOVERNANCE

The governance of the WFO shall be composed of the General Assembly, the Council and the Executive Committee.

8.1 General Assembly

8.1.1 The General Assembly shall consist of all fellows who are present at the IOC, which shall meet once every five years.

ARTICLE 12: DISCIPLINARY AND TERMINATION PROCEEDINGS

12.1 Grounds for Action

12.1.1 The WFO, on its own volition or upon receipt of a written complaint from any other person, reserves the right to discipline any of its fellows and to terminate the affiliation of any affiliated organization. Disciplinary action of a fellow may include reprimand, suspension or expulsion. Violation of these Bylaws or any lawful rule of practice duly adopted by this Federation or any other conduct prejudicial to the interests of this Federation, shall constitute sufficient cause for disciplinary or termination action hereunder.

12.1.2 Each fellow and affiliated organization hereby expressly waives the right to hold the Federation, Executive Committee, Council, officers, fellows, councilors, delegates, employees, and any of its affiliated organizations responsible for any damage, pecuniary or otherwise, as a result of disciplinary or termination proceedings against any member or affiliated organization.

12.2 Disciplinary Proceedings

12.2.1 Jurisdiction: This Federation has jurisdiction to bring disciplinary proceedings against a fellow and termination proceedings against an affiliated organization, which shall be conducted by the Executive Committee.
12.2.2 Investigation: The President shall select three of its members (the "Investigating Committee") to investigate any complaints against a fellow or whether the affiliation of an affiliated organization should be terminated. The Investigating Committee may conclude, in its sole discretion and based upon a preliminary review of any complaint, that the complaint contains insufficient information on which to base an investigation, or is patently frivolous or inconsequential. In such case, the matter may be disposed of by written notice to the complainant. If the Investigating Committee concludes that a complaint constitutes a valid and actionable inquiry, the Investigating Committee shall conduct a confidential investigation in order to determine whether disciplinary action or termination may be warranted.

Such an investigation shall include contacting the accused fellow or affiliated organization, as the case may be, and the complainant, if any, and gathering all relevant facts. The Investigating Committee shall file its report and recommendations with the President within a reasonable time after notification of the complaint. If the Investigating Committee determines that no disciplinary action is warranted, or that termination of the affiliated organization is unwarranted, it shall notify the accused fellow, or the affiliated organization, as the case may be, President, and Secretary-General of this Federation. The notice to the accused fellow or the affiliated organization shall be in writing and sent via certified mail - return receipt requested (or other similar means).

12.2.3 If the Investigating Committee determines that disciplinary action against a fellow is warranted, or that termination of the affiliated organization is warranted, the Executive Committee shall follow the procedures set forth below:

12.2.3.1 Notice: The accused fellow or organization, as the case may be, shall be notified in writing of the charges and his/her/its right to a hearing before three members of the Executive Committee selected by the President who shall not be members of the Investigating Committee (the "Hearing Committee"). Such notification shall be sent by mail, with return receipt requested (or other similar means), to the member's or
organization's address of record. The accused fellow or organization shall be notified that he/she/it may request a hearing before the Hearing Committee in order to appear and may present evidence, and that he/she may be represented by legal counsel, if desired, at his or her expense.

12.2.3.2 Hearing: Upon timely written request from the accused fellow or organization, which must be given by certified mail, return receipt requested (or other similar means), to the WFO Secretary-General within thirty (30) days of the notice to the accused fellow or organization of the right to a hearing, the accused fellow or organization shall be entitled to a private hearing before the Hearing Committee at which time he/she/it shall be given the opportunity to present his/her/its response. The hearing shall be conducted in accordance with the procedures adopted by the WFO at a place and time selected by the Hearing Committee in its sole discretion, and the accused fellow or organization shall be given reasonable advance notice of the date, time and place of the hearing. The members of the Hearing Committee shall elect from their number a Hearing Officer, who shall preside at the hearing and issue any appropriate procedural or evidentiary rulings, and summarize the results of the investigation at the hearing for the other members. Formal rules of evidence or civil procedure shall not be required. The Hearing Committee may consider any relevant material.

12.2.3.3 Decision: Every disciplinary decision of the Hearing Committee shall be in writing. Each written decision shall specify the charges made against the fellow, or charges for termination of an organization, as the case may be, the facts which substantiate any or all of the charges, the decision rendered by the Hearing Committee, the penalty imposed or the decision as to termination of affiliation, the fact that the accused fellow or organization has a right of appeal and the time for filing a notice of appeal. Within ten (10) days of the date on which the decision is rendered, a copy thereof shall be sent by mail, with return receipt requested (or other similar means), to the WFO's last known address.
of each of the following parties: the accused fellow or organization, the secretary of the affiliate organization of which he/she is a member (in the case of a fellow), the President and the Secretary-General.

12.3 Appeals

12.3.1 An accused fellow or organization receiving an adverse decision from the Hearing Committee shall have the right to appeal from such a decision by filing a notice of appeal with the Secretary-General of this Federation.

12.3.2 The notice of appeal must be in writing and filed with the Secretary-General of this Federation within thirty (30) days of receipt of the notice of the adverse decision.

12.3.3 Each party to an appeal shall be entitled to submit a brief in support of his/her/its position. The accused fellow or organization and the Hearing Committee shall submit his/her or its brief to the Secretary-General of the WFO via certified mail, return receipt requested (or other similar means), within ninety (90) days from when the appeal was filed.

12.3.4 No decision shall become final while an appeal therefrom is pending or until the thirty (30) day-period for filing notice of appeal has elapsed.

12.3.5 Within thirty (30) days of the receipt of a notice of appeal, the President of this Federation will name and determine their willingness to serve, three members to an Ad Hoc Appeals Panel and three alternates, no one of whom shall have been a member of the Investigating Committee or Hearing Committee. The Secretary-General of this Federation will notify the accused fellow or organization of the names of the three fellows via certified mail, return receipt requested (or other similar means). If the accused fellow or organization shows good cause why any named fellow is unacceptable, an alternate(s) will be selected by the President of the Federation. This selection shall be final. The Panel shall notify the Hearing Committee and the accused fellow or organization of the time and place of the hearing, such notice to be sent by mail, with return receipt requested (or other similar means), to the last known address of the parties to the appeal and mailed not less than thirty (30) days prior to the date set for the hearing.

12.3.6 The Panel shall meet within a reasonable time from the time when the appeal was filed. The accused fellow or organization may have one representative appear, at his/her/its expense, before the Panel to make oral or written presentations to, and to respond to questions from, the Panel.
The Hearing Officer shall designate a representative to appear before the Panel to support the decision of the Hearing Committee and to respond to questions of the Panel. Either party may be represented by counsel; however, the proceedings shall be conducted on an informal basis.

12.3.7 The Panel shall be required to review the decision on appeal and determine whether the charges against the accused fellow or organization support the decision or warrant the penalty imposed or the termination of affiliation, as the case may be. The Panel shall not be required to consider additional evidence unless there is a clear and convincing showing that either party to the appeal will be unreasonably harmed by failure to consider the additional evidence.

12.3.8 Every decision on appeal shall be reduced to writing and shall clearly state the conclusion of the Panel and reasons for reaching the conclusion. The Panel shall have the discretion to:

12.3.8.1 Uphold the decision of the Hearing Committee which brought charges against the accused fellow or the affiliated organization;

12.3.8.2 Reverse all or any part of the decision of the Hearing Committee which brought charges and thereby exonerate the accused fellow or the affiliated organization;

12.3.8.3 Deny an appeal which fails to satisfy the requirements of these Bylaws;

12.3.8.4 Refer the case back to the Hearing Committee for a new proceeding, if the rights of the accused fellow or the affiliated organization under all applicable Bylaws were not accorded him/her/it; or

12.3.8.5 Accept the findings of the Hearing Committee, but impose a different penalty.

12.3.9 Within a reasonable time from the date on which a decision on appeal is rendered, a copy thereof shall be sent by mail, with return receipt requested (or other similar means), to the WFO's last known address of each of the following parties: The accused fellow or the affiliated organization, as the case may be, the President of the affiliate organization of which he/she is a member (in the case of a fellow), the President and the Secretary-General of this Federation.

12.4 Resignation
12.4.1 If a fellow or affiliated organization who is the subject of a complaint or other disciplinary or termination action by this Federation resigns at any time during the pending of the proceeding, the matter shall be dismissed and the fellow or organization may not thereafter reapply for any class of membership or for affiliation, as the case may be.

Executive Committee recommendations to the Council regarding Bylaws require approval by a two-thirds (2/3) affirmative vote of the Committee.

13.2 A two-thirds (2/3) vote of the Council is required to approve the recommended changes to the Bylaws, which may occur at regular or special meetings of the Council or by written ballot in the interim.

14.9 The time period of the IOC shall be determined by the Executive Committee, after consultation with the representative national or regional association in the host country, but shall not, in any case, exceed one week in duration.

14.10 The date of the IOC shall be determined by the Executive Committee provided it is held within a five-year period from the preceding IOC.

Such a motion must be sent to all fellows of the WFO individually, each of whom shall have the opportunity to vote in person or by proxy.

15.4 Notwithstanding the foregoing, for dissolution to occur, an absolute majority of all fellows of the Federation must approve the motion.

15.5 If, upon dissolution and after all the Federation's debts are settled and all of its liabilities are satisfied, there remains any property or funds, the same shall neither be paid to nor distributed among the Fellows of the WFO. The funds shall, to the extent
permitted by law, be transferred either to some institution, institutions or funds having objectives similar to those of the Federation, or used for some other charitable purposes as recommended by a simple majority vote of the Executive Committee and approved by a majority vote of the Council of the WFO.

ARTICLE 16: INDEMNIFICATION

The Federation shall indemnify to the fullest extent authorized or permitted by law any person made, or threatened to be made, a party to an action, suit or proceeding (whether civil, criminal, administrative or investigative) by reason of the fact that he/she is or was a councilor of, officer of, employee of, or a fellow elected or appointed to any position of responsibility within this Federation.
