

smile

now you can have teeth like this without braces

affordable

effective

proven

Imagine. Straight, beautiful teeth can be yours without braces in as little as 2 to 12 months, using an appliance worn 1 to 2 hours per day. And at a price that's more affordable than you ever would have imagined.

Ortho-Tain,[®] a world leader in Orthodontic Appliances, has products to treat a variety of corrections available to all age groups. Ortho-Tain[®] products have successfully treated over 1,000,000 cases. Want an attractive smile without the pain and expense of conventional braces? Ask your dental professional how Ortho-Tain[®] can put a smile on *your* face.
