IMPORTANT: PLEASE GIVE THIS PORTION TO YOUR PATIENT

- 1) You have been referred to us for evaluation/treatment of a special problem.
- 2) Sedation, to relax you and help you cope comfortably with the treatment is often necessary. In case this is required, please arrive with an empty stomach (nothing to eat or drink 4 hours before).
- 3) Have someone accompany you home. You are **not allowed** to operate a motor vehicle for 24 hours following sedation.
- 4) Take all medication as you normally do (unless otherwise instructed).
