Boldly redefining the economics of CAD/CAM dentistry

Now CAD/CAM dentistry is within reach
for any practice.

- **Predictable clinical outcomes.** Provides better oral care, a better patient experience and improved productivity, compared to the traditional process.
- **Open, secure cloud-based platform.** More choices for you and your dental lab to store, share and connect.
- **Accurate.** The 3M™ True Definition Scanner is more accurate and more consistently accurate than leading systems on the market.¹ "3D-in-motion" video technology provides a true replica of the oral anatomy in extraordinary detail.¹
- **Affordable.** Offering CAD/CAM dentistry at an unprecedented price.
