

Love your smile!™

Lu, patient and former professional model.*

As my dentist, Dr. Matt Comfort, can be summed up in a word: TRUSTWORTHY.

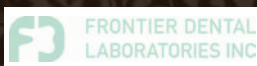

*I wanted a dentist I could trust and that is Dr. Matt. Over the years, Dr. Matt has helped my 5 children and me with our dental needs. Each visit has been peaceful and comfortable. One could say, a visit to Dr. Matt Comfort is like going home ~ warm, friendly, and caring. He has always taken the time to field my many questions and elevate concerns. There is never any question in my mind where my children and I will go for dentistry even with a 2-hour drive from Fairfield! Thanks Dr. Matt! I LOVE MY SMILE! Sincerely, Lu**
