Welcome to our office. Please take a few minutes to familiarize yourself with our office policies. We'll be happy to answer any questions you may have. We look forward to working with you in the mutual goal of maintaining your dental health.

Office Hours:

Our office is open Tuesday, Thursday, and Friday. The office will occasionally be closed for holidays, vacations and continuing education seminars.

After Hours Emergencies:

If you have a true emergency that cannot wait until normal office hours (i.e. facial swelling), please call the office for our after hours telephone numbers. If you are unable to reach our office and feel you need immediate care, please proceed to the emergency room of your local hospital for evaluation.

Cancellations, Missed Appointments:

We view the dental appointment as a mutual contract between doctor and patient. The sooner you know you need to reschedule an appointment and call us, the better our ability to reschedule for a time that is convenient for you. Please note that a \$40 fee will be charged at the time of a first missed appointment. Thereafter, the fee for missed appointments may increase based on frequency and appointment time lost. Continued missed appointments will unfortunately result in termination of our doctor-patient relationship. A missed appointment is an appointment canceled or broken without the courtesy of at least 48 hours notice.
