and Angela K. Pernoud, DDS

Hawk Ridge Dental Care is dedicated to providing the highest quality dental care with a patient-centric focus. The doctors and staff have a passion for dentistry and superior customer care. The practice offers treatment in all areas of dentistry, including implants, cosmetic dentistry, Invisalign®, laser dentistry, and dentures. A husband-wife team, Drs. Michael and Angela Pernoud focus on comprehensive dentistry for patients of all ages. The practice offers the latest technologies to make each visit as comfortable as possible while providing the highest level of care. From massage chairs and patient monitors to the soft tissue laser and digital radiographs, a positive patient experience is of utmost importance.

Both doctors are graduates of the UMKC School of Dentistry and were selected to continue in the university's Advanced Education in General Dentistry program. Here, they received in-depth training on the latest techniques, including intensive training in cosmetics, implants, complex restorations, and all other aspects of general dentistry.

Drs. Pernoud are both members of local and national dental societies. As lifelong students, they have a passion for learning and improving through continuing education.

Whether you need a routine cleaning or a full mouth rehabilitation, Hawk Ridge Dental Care is committed to providing you the best that dentistry has to offer in a caring and safe environment that focuses on what is most important, you and your family!
