

Dear New Patient,

As a family practice, our goal is to provide comprehensive and cosmetic dentistry with a gentle touch to patients of all ages. In order to do this, we strive to deliver the best diagnosis and treatment available. We believe that a patient's oral health, function and esthetics are essential for a healthy lifestyle. Please know that in our office you can expect to be treated with respect at all times. We encourage you to involve yourself in your own treatment and ask questions throughout your time with us. It is our feeling that an educated and involved patient is most likely to achieve the highest level of care.

Welcome to our practice!

Bill and Kari
