

We now offer Wi-Fi in the office so family members can use their time productively.

Our commitment to the community

Dr. Maplethorp and Dr. Siu continue to support community events and local sports teams. If you have a team or an event and would like our sponsorship please contact our office for details.

Dental health is our priority: we offer custom mouth guards for athletes whether they are patients of our office or not for a nominal fee which we donate to a local charity.

A year to celebrate!

This year our office celebrates its **25th anniversary.** It is wonderful to now see our patients coming back with **their** children! In appreciation for 25 years of support from the community, we are planning a celebration in the Fall. Stay tuned!

Joanne Beairsto has been an incredible asset to our practice for 20 years (and an orthodontic CDA for 26 years)! What an accomplishment!

Smile Rewards

Timing is of the essence...

Our schedule is set so that patients that are ready can begin treatment immediately, but we do plan treatment timing to avoid prolonged treatment times and increased expenses.

We are always looking for ways to motivate our patients to better oral hygiene, better compliance with elastics, retainers and other orthodontic appliances. We are pleased to announce that we are using CariFree Varnish and Xpur paste to help strengthen enamel and we are planning to institute a Rewards

Program with rewards appropriate to each age bracket. Points will be earned in many different ways throughout treatment and gift cards will be redeemable online.
