## **Beach Dentist Shares Clean Dentistry Record**

Every patient has the right to know their healthcare provider is the upstanding, quality individual they purport themselves to be. We understand the unfortunate news of one local practice may have you feeling nervous about the qualifications of the dental health professionals that care for your family. That's why we at Total Care Dentistry are willing to publicly release a current copy of Dr. Mary T. Dooley's Department of Health Professions Board of Dentistry license. (License included on page two.)

With zero complaints or other filings, Dr. Dooley says she is proud of her outstanding record as a Lieutenant Commander in the United States Naval Dental Corps and exemplary record in private practice since opening her doors in 2002. Dr. Dooley has held a Virginia Dentistry license for nearly 30 years.

Dr. Pat Baker, President of the Tidewater Dental Association, spoke with Total Care Dentistry today. He says measures to maintain accessibility to information are in place. "Although we are not a policing agency, we do have a patient relations committee for members of the Tidewater Dental Association." Dr. Baker explained the committee facilitates communications between doctors and concerned patients. We want to help alleviate your concerns and answer any questions about your case and our history you may have.

The Total Care Dentistry office is located at 114 S. Witchduck Road in Virginia Beach. Feel free to call us at 757-486-4880 or schedule a time to speak one on one with our knowledgeable staff about how we can help you.

For questions about Total Care Dentistry or Dr. Mary T. Dooley and her Virginia Beach dental services, please contact office coordinator Stephanie Beeler at 757-486-4880.
