

# RESOURCE DAY

Strategies, resources, and skills for your entire dental team!

## Caution + Control: Reducing Employment Liability

Wednesday, September 28<sup>th</sup> | 4:00 - 7:00pm

CEUs: 3 | Audience: Dentists & Students

### Course Description

Get expert advice while earning CE credits and a 5% Professional Liability premium discount for two years. Dentistry is a career that can be immensely rewarding if well protected. The Risk Management 101 course provides a basic overview of how a dentist and practice can avoid unnecessary risks as part of that protection.

### Speaker: Thomas Weber

Thomas J. Weber, Esq., practices law in the areas of Commercial Litigation, Corporate Law, Professional Licensing, and Professional Negligence. He devotes a substantial amount of his practice representing the interests of healthcare professionals.

### FREE Opportunities Include:

- Digital Photography: 10:00am - 5:00pm
- Document Shredding: 12:00pm - 4:00pm
