

APPOINTMENT AND PHOTOGRAPHY

POLICY

1) Appointment cards are given at the time of scheduling, reminder cards are mailed two weeks prior, and courtesy reminder calls are made two days prior to all appointments. Please give 48 hour notice if you are unable to keep your appointment in order to allow another patient the opportunity to fill their dental needs at that appointment time.

A broken appointment fee may be applied at the discretion of the dental office if an appointment is canceled without a 48 hour notice. The fee is \$1.00 per minute of the scheduled appointment time.

2) DeVaney Dentistry uses dental photography for the purposes of treatment planning, patient education, publication, and presentation at dental seminars. I (the patient) understand that photographs taken by the dentist office may be used for these or other purposes.
