## Payment Policy Acknowledgement

### Berea Family Dental

We are committed to providing you the best possible dental care. Our fees reflect our professional commitment to excellence. If you have dental insurance, we are happy to help you receive your maximum allowable benefits. In order to achieve these goals we need your assistance and your understanding of our payment policy. For the convenience of our patients we offer the following methods of payments for fees.

- A. Payment in full by cash, check, bank card or alternate financing for each appointment as service is rendered.
- B. For insurance patients we will accept payment for the initial examination directly from the insurance company for that percentage the company will cover. We gladly accept insurance assignments, but require that the deductible and non-covered fees be paid each visit. Secondary insurance will be filed but a 20% co-pay on all charges is required. In the event of duplicate payment you will be reimbursed.
- C. Bank charge cards- Visa, MasterCard, Discover, or American Express-are accepted.
- D. Alternate financing accounts, such as Care Credit and Citi Health Card are gladly accepted. We will be glad to assist you in filling out the application. Credit approval is required.
- E. Major services: Appliances, crowns, bridges. Payment in full up front with 5% courtesy, payment of ½ at the initial appointment and ½ upon completion. Partial and dentures must be paid in full up front or should not be sent for processing unless payment had been received.
- F. Basic Services: Fillings, periodontal treatment, extractions, etc. Payment in full at time of service.

Please be aware that any parent bringing a child to our office is legally responsible for the payment of all services rendered.

Our office staff understands dental insurance, and we will be glad to assist you in obtaining the maximum benefits specified in your contract.

**It is important that you realize, however that...**

- 1. Your dental benefit program is a contract between you, your employer, and the insurance company. We are not a party to that contract. This office files your insurance as a courtesy to you.
- 2. Our office fees general, but not necessarily, fall within the usual and customary fee structure, determined by your carrier.
- 3. Not all dental services are a covered benefit in all contracts
- 4. You (not the insurance company) are responsible to us for all our fees for services rendered to you.
- 5. For patients who have insurance, an ESTIMATE will be given of the benefits that the insurance company is expected to pay, and co-pay is expected at time the services are rendered.

We will gladly discuss your proposed dental treatment and answer any questions you might have as to the involvement of your dental benefit program in receiving this care. We appreciate the opportunity to serve you.
