Dear Patients,

It is with mixed emotions that I share with you that it is time for me to retire. My last day of patient care will be June 29, 2018. If you want dental care before then, please call to make an appointment. The office will be open until July 31, 2018 at specified times for you to share with us what you want done with your records. They may be sent to your future dentist's email, your email or they may be copied for you to pick up. Please check the schedule below for a convenient time to convey your wishes. Thank you very much for your years of patronage. It has been a pleasure to serve you and your family. It has been a joy to watch many of you grow up, marry and entrust your children to our care. We have even had the opportunity to watch some of your children marry and start families of their own; you have felt like extended family. It will be very difficult not seeing you regularly.

Dr. Douglas John Hughes
