

Our Team

Dr. Kevin Ma is a Scotts Valley native. He grew up here and attended local schools. He explored different fields of health care before deciding to become a dentist. After dental school, he worked locally before joining our team. He is married to Lindsay, a labor and delivery nurse. They have a darling young son named Jameson. Dr. Ma enjoys spending time with them as well as hiking, traveling, skiing and going for walks.

Sherry Jo Simoni is our front office coordinator. She was born and raised in Indiana and moved to California in 1978. She enjoys travel, sailing, fishing, cooking and spending time with both of her children. She loves football and is enthusiastic at cheering for the 49ers. She became interested in working in the dental field after a childhood accident with a dental injury when she was afraid to be seen by a Dentist. Years later, she felt the need to help people deal with similar fears and attain dental health and beautiful smiles.

Jan Netto was born and raised in Santa Cruz. She and her husband John have been married since 1982 and have two sons. She attended Cabrillo College and graduated from the Dental Hygiene Program. She wanted to become a dental hygienist because she didn't have dental care until she was 13 years old and she wants to prevent that from happening to others by providing excellent dental hygiene. She likes spending time with her family as well as cooking, sewing, beading and going for walks on the beach.

Sandy Stobbe was born in San Francisco but grew up in Fresno. She comes from a family where several people had careers in the dental field. Her Dad was a Dentist and her mother and aunt were registered dental assistants. Being surrounded with this type of work made her want to become a Dental Hygienist. She spends her leisure time traveling in her RV, playing ukulele and playing with her little dog Mojo.

Melissa Rosa was born in Manila in the Philippines. She came to the United States in 1989 and first lived in San Mateo, California. She worked as a certified nurse aide and then became a registered dental assistant because she had worked as a Dentist in the Philippines. She met her husband Jim on a blind date and they married a month later in 1996. She enjoys hiking, going to the beach and local parks, baking and cooking.

Amber Adams grew up in Boulder Creek. She went to local schools and trained to be a dental assistant in the Santa Cruz Regional Occupational Program. She wanted to work in this field because she likes helping people and fixing things and she wanted to work in her own community. She enjoys gardening, mountain biking, fishing and doing art.
