

## Comfort Menu

Your comfort is important to us. We provide a variety of services to assure that you are comfortable at all times. Please select from the following menu if you prefer any of them.

Patients find that if they take an analgesic prior to treatment, it helps later in the day. Which do you prefer?

- Advil                       Tylenol                       Other \_\_\_\_\_

We provide various levels of relaxation and/or sedation. Would you benefit from any?

- Yes                       No

If yes, please indicate your preference(s):

- Nu Calm (An all-natural solution for relaxation)
- Nitrous oxide
- Mild Sedation
- Moderate Sedation
- I.V. Sedation (with our anesthesiologist)

Our rooms are equipped with Netflix to allow you to watch various movies and TV shows. This is an excellent way to pass the time during your visit. Would you like to use Netflix?

- Yes                       No

We also offer the following:

- Blanket                       Neck or back Pillow                       Earplugs                       Lip Balm

Some patients like squeezing a ball. Would you like to use a squeeze ball?

- Yes                       No

Is there anything else we can do for you to make your visits more comfortable?
