

Healthy Smiles Wellness Program

Dr. Bowler knows how important dental health is to your overall health. Insurance companies are not looking out for you. They are consistently costing more, covering less and denying charges, and it is only going to get worse, that is why he is announcing his new Healthy Smiles Wellness Plan. It is not dental insurance. Dr. Bowler feels this is better than dental insurance and here is why:

Members of the Wellness program pay an enrollment fee of \$275.00 per person. Membership is valid for 365 days. For that membership fee you receive:

- *Periodic exams (2 per 365 days)
- *1 set of digital bitewing radiographs
- *Cleanings (2 per 365 days) **
- *Fluoride Treatment (2 per 365 days)

* \$338.00 value

** (Periodontal cleanings will be discounted)

Members also will receive 20% off of all dental services. Including crowns, bridges, dental implants*, dentures, periodontal services and even professional whitening.

*(cost of implant not included)

The best part is:

IMMEDIATE ELIGIBILITY
NO YEARLY MAXIMUMS
NO DEDUCTIBLES
NO CLAIMS FORM TO SUBMIT
YOU DO NOT HAVE INSURANCE COMPANY DENYING LEGITIMATE PROCEDURES
