

"The vets and techs here take their time and are caring and knowledgeable. When my small dog had a crisis they were available night and day to update and reassure me. The facility is clean and cheerful and the staff very friendly"

Our philosophy is to provide the best care and service available anywhere. We are always working to stay up to date on the latest and best veterinary technology. We see our job as being the spokesperson for your pet, and working together as a team we will be able to keep your pets healthy so that you can enjoy them as long as possible without problems.

Here are some great ways that The Pet Clinic gives back to help our clients provide the best care possible for their pets:

1. **Pet Food Club**-We pay for 10% of the feeding costs and 10% of the veterinary care that is not already discounted. There is no cost to take advantage of this great program.. The only requirement is that you buy your pets food at our office.
2. **Annual Pet Food Club Drawing**-One lucky client is randomly drawn from out Pet Food Club members and we provide 1 year of food or up to 6 large bags for one of their pets.
3. **Dental Club**-We pay for \$100 of your pets dental cleaning when you partner with us to provide dental care when it is first needed.
4. **Oregon Spay/Neuter Program**-We offer a complimentary surgery exam, low cost spay and neuter procedures as well as reduced fees for lab work, vaccines, pain medications, and parasite treatment and protection.
5. **Complimentary Initial Examination**-We will provide an initial evaluation of your pet. Then we will advise you of what would be the best course of care for your pet and the cost of that care.
6. **Senior Owners Discount**-We provide 10% off of the care for pets of seniors, 65 and over, to help them provide the best care possible for their pets. On Tuesdays we increase the discount to 15%

“Can’t thank this clinic enough for taking such good care of my cat.”

7. **Senior Pet Program**-Provides special packages for our senior pets to reduce the cost of laboratory work that is needed as your pets get older.
8. **Monthly Program**-Provides a special program each month to help you with the overall care of your pets. Some examples are reduced fees for parasite preventives, reduced vaccine prices and senior pet programs.
9. **Vaccine Clinic**-The middle of each month we provide a reduced fee for vaccines to help you protect not only your pet but also your family from diseases that your family can get from them.
10. **Puppy and Kitten Packages**-Special programs to help you get the knowledge and care you need to get your new family member needs fulfilled.
11. **Wellness Packages**-These are packages designed with you and your pet in mind. This is a great way to get all your preventive care needs all wrapped up in low monthly payments.
12. **Rescue Groups**-Our program provides an initial evaluation of pets they bring in, they are able to participate in any of our other programs as well as receiving medications at a reduced cost. We do this to help them get the pets they are helping into new families.
13. **Shock Wave Therapy**- This is a high-energy sound wave that is able to penetrate deep to heal conditions fast.

14. **Pet of the Month**-We do a random drawing each month from the clients that came in and are current on all recommended preventive care. One client is then chosen and we pay for all their services for that visit.

15. **Pet of the Year**- We do a random drawing of all the Pet of the Month winners and we award the winner all the services performed during the past year.

16. **December Holiday Drawing**- We do a drawing of clients that come in during the month and provide \$1500 in vaccines, preventive products, and veterinary services.

17. **Parasite Preventive Program**-Reduces the cost of testing and providing protection from parasites-some of which can affect humans like Roundworms. Over 1000 people go blind from roundworms that they receive from their pets each year!
